

Parenting Role Analysis

Instructions: Using the categories listed below, place each one in the top chart showing who is “Presently” providing that area of parenting for the children. Then drop down to the lower chart and list any “Desired” changes that you feel could help the overall process of parenting. The Father completes one page, the Mother completes one page, and then both collaborate to reach new agreements.

Presently

Father only	Father w/Mother	Both Equally	Mother w/Father	Mother only

Desired

Father only	Father w/Mother	Both Equally	Mother w/Father	Mother only

Preschool
